A few suggestions

A selection of our good value house wines is shown over the page.

We are of course delighted to serve guests with smaller portions where this is possible, at £ 1.00 less than the usual price.

There are baby-changing facilities on the first floor so please ask if you need directions.

All our dishes are prepared to order and some do take a little time; so if your time is short, please let us know when you order.

If you would like to know where our food is from, please ask as we have a leaflet about our suppliers.
